Important Passwords and Websites

My website: www.frohnclass.com

Some of the material I put online is copyrighted material to be used in class for my students only. Because of this, I use a password protected site. The username is: **lancers** Password: **lancers**

Use it to:

- View the daily agenda
- Pick up or print worksheets
- Get an overview of the unit (labs/homework, etc)
- Find online videos, powerpoints, activities or makeup assignments by unit
- Test Review: ideas, information, and practice tests
- Use it to for quick links for online demos, labs, etc
